UAE NOC to open a business

Editable sample letter: replace the details with your own records before signing

UAE NOC FOR A BUSINESS APPLICATION
Employer: [Company]
Emirate: [Emirate]
Trade licence: [Trade licence number]
Date: [Issue date]
Employee: [Employee Name]
Emirates ID: [Emirates ID]
Designation: [Designation]
Proposed activity: a small retail trade, described only in general terms
Proposed free zone or mainland authority: left blank until the application names it
Purpose: no objection to the employee applying to open or join that business
[Company] has no objection to [Employee Name] applying to open or join the business described above, while the employee remains employed as [Designation] unless a later letter says otherwise. This NOC does not issue a trade licence, does not approve the activity, and does not grant a visa.
It does not say that every emirate or free zone asks for this letter. Use it when an application you are looking at asked for an employer no-objection.
