NOC FOR A DRIVING LICENCE
Employer: [Company]
Commercial registration: [CR number]
Date: [Issue date]
Employee: [Employee Name]
Qatar ID: [Qatar ID]
Designation: [Designation]
Purpose: no objection to applying for a Qatar driving licence
To the licensing desk that asked for an employer letter,
[Company] has no objection to [Employee Name] applying for a driving licence while the employee remains employed as [Designation]. This letter does not issue the licence, does not say a driving test has been passed, and does not grant a visa or an exit permit.
Salary is not stated. If the desk asked for pay, ask the employee to use a salary certificate instead of adding figures here.
The employee is expected to hold any licence that the law requires for driving a company vehicle. This letter does not replace that card.
